The course grade for each student will be evaluated on the basis of:

- The completion and success of all in class and out of class exercises and drawings •
Completion of all assigned readings and discussions
- Attendance
- Participation in all assigned activities
- Research – the conceptual tools you employ to inform your practice
- Technical competence, craft, and inventive use of materials

GRADING

Letter Grade and Corresponding Grade Points

A	A-	B+	B	B-	C+	C	C-	D+	D	D-	E	WF	I	NG	S-U
4.0	3.67	3.33	3.0	2.67	2.33	2.0	1.67	1.33	1.0	.67	0	0	0	0	0

Specific criteria for grading includes: ***adherence to the assignment parameters, research/studio practice, concept development, formal resolution, and craft/presentation.*** Late projects will not be accepted.

Project grades in this course are considered in the following way:

A 4.0 Exceptional work, all criteria of assignment have been surpassed in a distinguished manner and solutions to problems presented exhibit a depth of understanding. In addition, student is engaged in exceptional studio practice, which includes active research, looking up artists recommended, asking relevant questions about other artists' works or ideas, and being thoroughly engaged in the course content.

A- 3.67 Well-presented, superior work: all criteria of assignment were surpassed in a distinguished manner (including exceptional studio practice highlighted above). Minimal improvements could be made to the project overall.

B+ 3.33 Very good work: all criteria of assignment were surpassed, minor changes could be considered and executed to bring piece together and studio practice was exceptional.

B 3.0 Very good work: above average solutions and clear potential. Most criteria of assignment were surpassed with some improvements to be made. Execution was well done. Studio practice during the project was commendable.

B- 2.67 Good work: most criteria of assignment were met. Work showed promise with a few significant improvements to be made. Studio practice was adequate.

C+ 2.33 Slightly above average: work, most of the criteria of the assignment were met. The work is not yet a unified whole or cohesive statement, yet effort was made. Studio practice was adequate, but could be more reflective and thoughtful.

C 2.0 Average work: the assignment directions were followed and the requirements were met in a relatively routine way. Slippage in levels of craft, originality and presentation-studio practice was adequate, but could be more reflective and thoughtful.

C- 2.67 Slightly below average work: the assignment directions were followed and the requirements were minimally met, but there is much room for developing concepts further. The level of craft and breadth and depth of idea development needs to be improved. There is some evidence of studio practice, but the quality and quantity is lacking.

D+ 1.33 Below average work: an attempt to solve the problem was made, but there is much room for improving skills and developing your concepts further. The criteria of the assignment are barely met. Basic craftsmanship skills have been neglected and there is a lack of breadth and depth of idea development. There is minimal evidence of studio practice, but the quality and quantity is lacking.

D 1.0 Inadequate, below average work: the requirements of the assignment are not addressed. The execution

of the work is careless and represents an incomplete effort. Work is substandard. There is little or no evidence of studio practice.

D- .67 Unacceptable work and effort: the requirements of the assignment are not addressed. The execution of the work is careless and represents an incomplete effort. Work is substandard. There is little or no evidence of studio practice.

E 0 Unacceptable work and effort: the work submitted is inadequate; the requirements of the problem are not addressed. The piece represents careless and/ or incomplete effort. No evidence of studio practice. Work is substandard. Or, assignment was not submitted.

ATTENDANCE

As a studio course your attendance and active participation is required. Students are expected to attend all classes. You are required to work/participate the duration of the scheduled class period. Full participation includes showing completed work during all scheduled critiques as well as active participation through shared ideas and commentary about your work and the work of your peers. Unexcused absences will be cause for a lowered grade. Your fourth absence will result in ONE full letter grade drop. Absences will be counted from the first class meeting onward.

University Attendance Policy: <https://catalog.ufl.edu/UGRD/academic-regulations/attendance-policies/> If an absence occurs, it is the student's responsibility to make up all work. Students should check with the instructor or another student outside of class time when they miss a class (prior to missing the class if possible), as in- and out-of-class exercises are spontaneously assigned. Students should bring a doctor's note for any class from which they expect to be excused. Please address any concerns, problems, and questions regarding this class to the instructor as they arise.

TARDINESS

Arrival to class after the start of class will be noted and three such incidences will count as one absence. Leaving early from class will also be considered as tardiness and will be counted as such. Students are responsible for satisfying all academic objectives as defined by the instructor. Students who do not attend at least one of the first two class meetings of a course or laboratory in which they are registered, and who have not contacted the department to

indicate their intent, may be dropped from the course. The university recognizes the right of the individual professor to make attendance mandatory. After due warning, professors may prohibit further attendance and subsequently assign a failing grade for excessive absences.

LATE WORK

All projects, reading responses, and research projects must be completed on time for full credit. Due dates are announced in class and posted on canvas.

- Late work is not accepted (unless with prior approval from instructor due to an excused absence).
- If the timeline states that a project is due at the beginning of class, turning it in at the end or after class is considered late.
- You must have work finished before the start of class on critique days or your work will not be critiqued.
- It is the student's responsibility to turn in all work on time.

COURSE COMMUNICATION
