- To develop musicality, dynamics, clarity and articulation in time and space.
- To expose the student to fresh approaches to the creative process.
- To provide the student with experiences that reinforce their discipline and strengthen their sense of responsibility within a pre-professional creative environment.
- To relate the student's work in technique class to a rehearsal situation.
- To gain experience and develop an understanding of how to work in an ensemble.
- To empower the person/dancer/ thinker/choreographer in each student.

This course is designed to develop technical range and performance skills through the study and production of dance repertory within the experience of the Ensemble 1 Repertory Project.

### DRESS POLICY:

Attire in class should be neat, clean and allow for clear execution and observation of alignment and movement. Hair should be secured to allow for full and vigorous moving. Please do not wear watches or jewelry that might be harmful or inhibit movement.

## Course Policies:

Any absence from class for the following reasons must be supported by official acceptable documentation to avoid a grade penalty:

- Illness—doctor's note must be on official letterhead with address and phone number, noting the date and time of visit and diagnosis verifying that an absence from class is warranted, doctor name and signature
- Serious family emergencies
- Special curricular requirements (e.g., judging trips, field trips, professional conferences)
- Military obligation
- Severe weather conditions
- Participation in official university activities such as music performances, athletic competition or debate
- Court-imposed legal obligations (e.g., jury duty or subpoena)

To help organize accommodations, students should inform the instructor by the end of the second week of classes of religious observances of their faith that will conflict with class attendance this semester.

### UF Absence Policy

Requirements for class attendance and make-up exams, assignments, and other work in this course are consistent with university policies, as follows:

Source: <https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>

- Students are responsible for satisfying all academic objectives as defined by the instructor. Absences count from the first class meeting.
- In general, acceptable reasons for absence from or failure to participate in class include illness, serious family emergencies, special curricular requirements (e.g., judging trips, field trips, professional conferences), military obligation, severe weather conditions, religious holidays and participation in official university activities such as music performances, athletic competition or debate. Absences from class for court-imposed legal obligations (e.g., jury duty or subpoena) must be excused. Other reasons also may be approved.
- You cannot participate in classes unless you are registered officially or approved to audit with evidence of having paid audit fees. The Office of the University Registrar provides official class rolls to instructors.
- If you do not participate in at least one of the first two class meetings of a course or laboratory in which you are registered, and you have not contacted the department to indicate your intent, you can be dropped from the course. You must not assume that you will be dropped, however.
- The university recognizes the right of the individual professor to make attendance mandatory. After due warning, professors can prohibit further attendance and subsequently assign a failing grade for excessive absences.

### MAKE-UP POLICY:

#### Dance Technique Class – Makeup Policy

- You are responsible for all material covered during any absence
- There are no makeup options for unexcused absences
- Absences from Written Exams, Quizzes, Mid-Terms, and/or Finals may only be made up with approved documentation
- To earn credit (amount of credit determined by the instructor) for an excused absence you must do two things:
  - 1) Immediately after your return to class, turn in approved/legal documentation to instructor. If you need the original documentation, the instructor will accept copies. You can email these to your instructor.
  - 2) Make-up the class with an approved assignment submitted on the required date. If the assignment is to attend another class as a make-up, the student must request permission of that instructor.

If the student cannot attend class due to illness, the student may read fifteen pages from our required book and complete a reaction paper. These may be turned in through canvas as soon as the student is well or two weeks after the absence.

#### Student on-line evaluation process

Students are expected to provide professional and respectful feedback on the quality of instruction in this course by completing course evaluations online via GatorEvals. Guidance on how to give feedback in a professional and respectful manner is available at [gatorevals.aa.ufl.edu/students/](http://gatorevals.aa.ufl.edu/students/). #### General Information

##### Student Injury and Illness Policy:

The Dance Area of SoTD believes that dance student's physical and mental well-being is paramount to success in all arenas of their dance training, from class to the stage. In the case of injury, fostering a productive and holistic response insures a speedy and effective recovery.

If the dance student becomes ill or injured to the degree that they cannot attend and participate in dance classes, SoTD sponsored rehearsals, or performances, the 5 steps of the dance student injury and illness policy are to be followed:

1. The student is required to see a health care professional immediately.

2. If the illness or injury prevents the student from participation in dance class, rehearsal, or performance, the student is to request documentation from the health care professional that explicitly projects the duration of the injury, and/or the amount and type of activity recommended for the welfare of the student.
3. Following the appointment with the health care professional, the student is required to bring medical recommendations and related documentation to the attention of his or her instructor(s), choreographer(s), or director(s) as the basis for discussion.
4. Unless otherwise medically advised, the student is prohibited from active participation in all related UF dance activities, classes, events, performances, etc. The student may not personally select one activity as having a higher priority over another. The student is not to dance in any events, activities, performances or rehearsals if the student is not in dance class. If the infirmity culminates in a medical withdrawal, this is also a withdrawal from all performance related activities.
5. The student is never allowed to sacrifice classroom participation for the demands of a performance. The student will not be allowed to participate in a performance if they miss dance class due to an injury. The student is expected to follow the student injury and illness policy even if performances take place beyond the scope of SoTD, as with another UF, professional, or community performing group, etc.

**Continuing Dance Program COVID protocols:**

**COVID-19 Precautions**

- **All people inside of UF facilities/SoTD are expected to wear masks** in community spaces in buildings, including common areas in our office suites, when we are not in our individual offices or workspaces, **even if you are vaccinated.**
- **With the highly contagious Omicron variant proliferating, personal purchase of KN95 or N95 masks are recommended. Surgical masks will still be provided but along with cloth masks are not as effective in reducing the spread of Omicron.**
- **Your ONE.UF account must show a “Cleared for Campus” status** in order to attend in-person. I will check my roster before each class meeting.
- **Some synchronous online options may remain with announcements regarding applicable dates (simultaneously on Zoom and in person).** Unless otherwise specified, all courses are considered IN PERSON with attendance taken.

Students, Faculty, and Staff are trusted to foster healthy SoTD class and creative environments through adherence to the following guidelines:

- If you are not vaccinated, get vaccinated. If you are vaccinated, get the booster. UF Provost’s office has emailed the campus with available/ongoing resources.
- Students are welcome to use hand sanitizer or wash hands at the top of each class, rehearsal or production activity in shared spaces.
- **Stay home and seek medical help for COVID-19 symptoms or exposure (persistent cough, fever 100.4+, new loss of taste or smell, muscle pain/headaches, shortness of breath, sore throat, chills, diarrhea, or feeling generally ill). The culture of hiding illness or the “show must go on” mentality must be avoided.**
- Wipes and sanitation supplies will be available to sanitize individual props, costumes, chairs, ballet barres, music stands, tables, individual projects etc.
- Dispose of personal trash in appropriate bags/containers.
