Exams

Dictation Exams: Three dictation exams will be given over the course of the semester. Students should be able to aurally understand and clearly notate musical ideas. Specifics on these will be covered in the days/weeks prior to the exam date.

Sight Singing Exams: Three sight-singing exams will be administered during the course of the semester. These will be given one on one. A meeting prior to these exams, students will sign up for a time to meet with the professor for 5-10 minute slots to take the sight singing exams. Students will not be graded on the quality of their voice but rather the accuracy of the notes and rhythms.

Rhythmic Reading Exams: Similar to Sight Singing Exams, except will only focus on rhythms.

Quizzes

Quizzes will be given periodically to make sure students are actively paying attention in class. They may be announced or unannounced. Formats of quizzes will vary based on content.

Attendance

Each unexcused absence will deduct 10% of attendance grade (1% of final grade). Acceptable reasons for absence (excused absences) include illness, serious family emergencies, severe weather conditions, religious holidays, and participation in official university activities. Other reasons may also apply. If you know you are going to miss a class, please let the professor know in advance so necessary arrangements can be made.
