COURSE DESCRIPTION

Independent capstone project research for Master of Music in Music Education students.

REQUIRED TEXTS

American Psychological Association. (2019). *Publication manual of the American Psychological Association* (7th ed.). Author.

COURSE GOALS

The goal of this course is for the student to engage in meaningful research activities related to completion of a final capstone project in the Master of Music in Music Education program.

UNIVERSITY OF FLORIDA POLICIES

Please read the university's academic policies and learn about campus resources:

<https://go.ufl.edu/syllabuspolicies>

ASSESSMENT

Each student and the instructor will develop an individualized research plan for the student. Successful completion of that plan will result in a passing grade of 'S.'
