Course Description

Independent dissertation research for PhD music education students.

Course Goals

The goal of this course is for the student to engage in meaningful research activities related to completion of a dissertation in music education.

Required Texts

American Psychological Association. (2019). *Publication manual of the American Psychological Association*, 7th ed. APA. ISBN: 978-1433832161

Assessment

Each student and the instructor will develop an individualized research plan for the student. Successful completion of that plan will result in a passing grade of 'S.'

Information about university-wide policies and resources can be found [here](#).
